

## Reindeer Lodge

*A cosy cabin accommodation in Sámi design amidst the winter wonderland of Swedish Lapland and with reindeer roaming on the premise. Ensnore yourself by the fireplace and unwind from everyday life. Relish local cuisine; and relax in the sauna whilst the dazzling northern light illuminates the night sky.*

Reindeer Lodge comprises five cabins remotely situated in the woods and at the banks of river Torne. Here you find the perfect balance of activity and tranquillity.

Delicate dinners from local produce like the freshwater fish arctic char, moose or reindeer meat are served by the host in the joint timber lodge building with candlelit atmosphere.

The steaming wood-burning sauna invites for a relaxing bath with a refreshing jump in the powder snow. If you are lucky the northern light sparkles in the winter night sky, and if not, just to experience the light at midnight is spectacular.

Our reindeer are in enclosures just a few metres from your cabin. To top off the Reindeer Lodge stay, our guide takes you along to feed the reindeer in the morning!

Snowshoes and cross-country skis are for free use (there is a ski trail laid out in the forest), and the world-famous Icehotel is located only half an hour's walk from Reindeer Lodge.
