

Reindeer Lodge

Welcome to Reindeer Lodge, eco-friendly accommodation, with an idyllic snowy landscape, grazing reindeer and sparkling northern lights right at your doorstep. Our lodge consists of five private cottages in Sámi design, remotely situated in the woods and at the banks of the Torne River. Here you will find the perfect balance of activity and tranquillity. Treat yourself with Sámi cuisine, a relaxing sauna and good company in the heart of Swedish Lapland.

Delicate dinners sourced from local ingredients such as arctic char, moose and reindeer meat are served by your host in our dining room in a cosy candle lit atmosphere. Afterwards, enjoy a steaming wood-burning sauna with the customary refreshing roll through the powdery snow! The night sky always provides a beautiful show, whether it's the spectacular northern lights, the bright Milky Way or cosy blanketing snow. The perfect place to watch the beauty of Lapland is curled up on a reindeer skin, down by the crackling fire with friends or family.

Our friendly reindeer are located in corrals right next to your cottage. You are always invited to help our guides feed the reindeer in the morning, which we believe is the best way to wake up! There are also free snowshoes and cross-country skis available to use and the world-famous Icehotel is located only half an hour's walk from Reindeer Lodge. Free entry to Sámi Siida-Márkanbáiki applies for all Reindeer Lodge guests, so please don't forget to stop by! And last but not least, why not adding some of our Sámi eco adventures to make your stay complete?
