

Sámi eco adventures

Winter Adventure - 3 days

Join us on a Winter Adventure! With animals as the predominant means of transportation, this trip will give you a soft, eco-friendly experience of the great outdoors of Swedish Lapland. Let charming animals, stunning winter landscapes and bright northern lights give you a relaxing peaceful holiday.

Reindeer Lodge serves as the perfect base for your stay with fantastic food and the chance of seeing the northern lights dance from your doorstep. In addition to the lovely surroundings, there are reindeer just around the corner and they always want new friends! A travel package perfect for families.

Day 1 – Arrival & Márkanbáiki visit

Upon arrival in Kiruna we will transfer you to Reindeer Lodge, located just outside Jukkasjärvi. Once there we will show you to your own private cottage where you can settle down or take a short walk to Sámi Siida-Márkanbáiki just across the frozen river to get your first introduction to Sápmi. This will be followed by a delicious dinner and wood-heated sauna. (D)

Day 2 – Dog sled passenger ride & Reindeer experience

After breakfast you will be transferred to the nearby dog sled kennel where you sit down in the sled and enjoy the ride in comfort while your guide mushes the team of dogs through the Torne River Valley. After lunch break and farewell to the dogs it is time for an intense encounter with our reindeer near the lodge. You will be guided among the herd and then race your own reindeer on a short track before thanking them with their favourite snack! Dinner and sauna will be provided after this amazing experience. (B, L & D)

Day 3 – Departure

After breakfast check-out and transfer from Reindeer Lodge to Kiruna. (B)
