### Day visit venue: Sámi Siida – Márkanbáiki

**Márkanbáiki is an easily accessible, vibrant meeting place in Jukkasjärvi for visitors from near and far who want to engage their senses to experience Sápmi. Get close up and personal with reindeer, stroll through the outdoor exhibition area and try traditional Sámi food in charming Café Sápmi. As a reminder of your visit you surely find some special item in our on-site handicraft shop.**

The term márkanbáiki means assembly or market place in North Sámi language and this historical site here is the origin of the village of Jukkasjärvi and a wonderful place for a day visit. Bures boahhtin Sápmái – Welcome to Sápmi!

In our **exhibition venue** you can learn about the culture, traditions, nomadic lifestyle and the history of the reindeer herding Sámi people, look at art works and enjoy the scenery. Our most appreciated companions, the reindeer, are summer grazing here at the shores of river Torne and it is a special moment being able to meet them close up and feed them.

The **guided tour “Geasseguossi”** is a perfect opportunity to get a deeper understanding about our culture and livelihoods. Our skilled guides will walk you around the venue, share their knowledge and personal stories, and jointly feed the reindeer with you!

In **Café Sápmi**, our giant lávvu-like restaurant with a fireplace in the centre, we serve traditional Sámi food with a modern twist. Reindeer meat and fish are traditional parts of Sámi cuisine that is about pure taste, quality and care for animals and nature. So why not rounding off your visit with **a local food experience**? We claim to serve the world’s best suovas, i.e. traditionally lightly-salted, cold-smoked reindeer meat, sliced, fried and served on gáhkku bread. Drinking a cup of fresh, boiled coffee is then the icing on the cake. We also offer berry pastries, coffee cheese and refreshments.

As a reminder of your stay you can visit our on-site **handicraft shop** to find the most unique gifts. We offer only the best of local Sámi handicraft, duodji. Among the crafts you find reindeer pelts and antler designs, Sámi silver jewellery and even lassos for catching reindeer.
