

Package tour: Experience Aurora Winter Lapland - 4 Days

Let the very best of Lapland's adventures and the lights cast a spell over you. With animals as the predominant means of transportation this exclusive trip gives you an eco-friendly experience of the great outdoors of Swedish Lapland. Our cottage accommodation Reindeer Lodge is the perfect base for your stay, a gem in the woods and with reindeer on the premise. Here you will find the perfect balance of activity and tranquillity and enjoy fantastic food sourced from local ingredients and the chance of seeing the sparkling northern light right from your doorstep. A wonderful package for active couples, families and friends!

Day 1 – Arrival

We meet you up at 18.00 at Kiruna Tourist Center for transfer to our cosy accommodation facility Reindeer Lodge, located in the woods and on the banks of mighty river Torne just outside Jukkasjärvi village. Once equipped with winter outer wear, the lodge host will show you to your own private cottage where you can settle down and enjoy the company of reindeer just outside your window! The check-in will be followed by a tasty 2-course dinner, a briefing on the activity program and the best ways to chase the northern light around Reindeer Lodge. A wood-heated sauna session will be prepared before it is time to snuggle up for the first night in your own Reindeer Lodge cottage. (D)

Day 2 – Reindeer sled excursion, Icehotel & Sámi Siida-Márkanbáiki visit

After breakfast you join our guides for an exclusive and one-of-a-kind reindeer sled trip which means practicing an old and vanishing Sámi tradition. You will actively handle and drive your own draft reindeer with sled through white, wintery forests and along frozen lake Sautusjärvi. After around 1.5 hours driving the sled standing on the runners, we return to the lodge for a traditional reindeer herder lunch in a lávvu-tent. This will be followed by a visit to the world-famous Icehotel, a stroll through the village of Jukkasjärvi and a visit to the outing spot Sámi Siida-Márkanbáiki in the afternoon.

A delicious 2-course dinner and sauna will be provided by the host upon your return to Reindeer Lodge. Accommodation in own cottage. (B, L & D)

Day 3 – Dog sled excursion in the Torne river valley

After breakfast you will be transferred to the nearby dog sled kennel for a dog sledding introduction. The huskies will be eager to run and you mush your own dog team in pairs swapping drivers en route. You will enjoy a lunch break during the tour that provides great photo opportunities along the way through the impressive Torne river valley. In the afternoon there will be time for self-guided snowshoe or cross-country ski tours.

A luscious 2-course dinner served by the Reindeer Lodge host and a hot sauna round off the day, probably with a refreshing roll through the powdery snow! Accommodation in own cottage. (B, L & D)

Day 4 – Departure

After breakfast it is time to pack up your belongings and to bid farewell to the reindeer. Check-out is at 11.00 at the latest and we provide transfer from Reindeer Lodge to Kiruna. (B)

Quote by earlier guests:

"Nutti Sami Siida is an exceptional lodging and recreation option near the popular Ice Hotel in Swedish Lapland. We stayed at the Reindeer Lodge, which is exceptional. You are set on the edge of a frozen river, surrounded by nothing but fresh snowfall, pristine landscape, and live Reindeer right outside your door. Best part is - you are in the middle of nowhere, everything is quiet."
