

## Márkanbáiki – Sámi open-air museum

**At the day visit venue Márkanbáiki in Jukkasjärvi we warmly welcome you - bures boahhtin! Here do reindeer and Sámi culture, past and present, play and learning, arts and crafts, and of course traditional and modern flavours converge. A life-enriching and multisensory experience for the curious visitor in Sápmi, no matter what age.**

Discover the Márkanbáiki area, which is located on Jukkasjärvi's original assembly and marketplace, at your own pace and on your own with the help of signposted and easy-to-read information that is available in Swedish and English, and/or join our scheduled guided tour.

In our **open-air exhibitions** you can learn about the culture, traditions, garments, different devices, nomadic lifestyle, and history of the reindeer herding Sámi people. Look at art works, walk along our short nature and culture trail and enjoy the scenery. The **playground** Mini Sápmi invites kids to exploration.

Our most appreciated companions, the **reindeer**, are grazing here at the shores of river Torne. It is a special moment being able to meet-up close with reindeer that are adapted to life in the Arctic's tough environment.

The **guided tour 'Guossi'**, which means guest, is a perfect opportunity to get an introduction to Sápmi and the reindeer herding livelihood. Our guide will lead you through the venue and jointly feed the reindeer with you!

In **Café Sápmi**, our giant lávvu-like restaurant with a fireplace in the centre, we serve traditional Sámi food and fika with a modern twist. Reindeer meat and fish are traditional parts of Sámi cuisine that is about pure taste, quality and care for animals and nature. So why not rounding off your visit with a **local food experience** in mesmerising ambiance? We serve also exciting berry beverages and the village's best coffee.

*Some variation in supply may occur depending on season and raw material supply.*

In the **shop** you find local Sámi **handicraft**, among others antler designs, Sámi silver jewellery, leather bracelets and reindeer skins, and a carefully selected range of **delicatessen** from Swedish Lapland. Buy something with you as a memory or gift, thereby supporting the area's creators and artisans.
