### Day 1 – Arrival

Choose between renting your own car (book yourself) or being picked up by our transfer service (included) that will drive you to Reindeer Lodge. You check in at a goahti and get both time to familiarize yourself with the area and your tent. At the lodge, you have access to skis, snowshoes and sledges for exploring nature on your own. Maybe you will also take a first trip to the sauna? Your dinner is served in our lounge. (M)

### Day 2 – Raidu – meeting with reindeer

After a hearty breakfast, you have the morning free to discover the surrounding area. At 1:45 p.m. you will be picked up by your guide who will take you to the starting point for today's exciting tour. There you meet the rest of the group and will be equipped with warm clothes before you go on a fast-paced journey through the winter forests with a snowmobile and sled. Then an afternoon awaits where you get to test the art of driving reindeer at the same time as you get to learn more about both the Sámi culture, nature and reindeer husbandry.

A traditional Sámi meal is served on the tour. Your dinner is served in our lounge. (F, L, M)

### Day 3 – Dog team

On your third day you will meet another well-known figure from Kiruna; the sleddog. Your guide picks you up at the lodge and drives you to the kennel, where you get to greet the dogs before settling into your sled. The guide drives your team safely and securely over the river and through the forest so you can sit back and just enjoy. After a while of sledding, you stop in a cozy wooden cabin where the guide lights a fire and cooks you lunch before you turn around and drive home again. Your dinner is served in our lounge and there is also the opportunity to relax in our lounge, have a sauna or go out and look for the northern lights. (F,L,M)
