Day 1- Arrival

Check-in to your cabin and familiarize yourself with the surroundings. Maybe you visit Jukkasjärvi village and Markanbáiki where we have our outdoor museum, reindeer and restaurant Ovttas. You can also visit the Icehotel and beautiful Jukkasjärvi church, or you can just have a nice afternoon at the lodge.

Day 2 - Miessemánnu

Start the day with a hearty breakfast. At 16.00 you will be picked up by minibus from Reindeer Lodge for approximately 1,5 hours one way, towards the Geasasjohka reindeer enclosure. Here you will meet the large reindeer herd and hopefully the proud reindeer mothers will let you see the newborn calves. When you get hungry, you are invited to our lávwu, a traditional Sámi tent, where you are treated to a Sámi signature dish, suovas.

Activities are adapted to prevailing weather conditions for the safety and well-being of animals and guests.

Day 3 - Departure

After breakfast, it's time to pack up, say goodbye and travel on.
